

Job Title: **Community Specialist**

Project: **Advancing Sustainable Agriculture and Food Security in Kenya**

Location: **Kenya**

Job Type: Contract

#### **About the Project:**

We're seeking a seasoned Community Specialist to support our project Advancing Sustainable Agriculture and Food Security in Kenya. This role involves working closely with local communities, building relationships, and promoting project objectives.

#### **Job Summary:**

The Community Specialist will:

- Community engagement: Build and maintain relationships with local communities, farmers, and stakeholders
- Project promotion: Promote project objectives and activities to community members
- Capacity building: Provide training and support to community members on sustainable agriculture and food security
- Feedback and input: Collect feedback and input from community members to inform project design and implementation

### Requirements:

- Experience: 10+ years in community development, agriculture, or a related field
- Qualifications: Degree in Community Development, Agriculture, or a related field
- Skills: Strong communication, interpersonal, and community engagement skills

### What We Offer:

- Competitive contract rate
- Opportunity to work on a meaningful project impacting sustainable agriculture and food security in Kenya
- Collaborative and dynamic work environment

### How to Apply:

If you're a community development professional with experience in sustainable agriculture and food security or a related field, please submit your application, including your resume and cover letter, to [info@mtuals.org](mailto:info@mtuals.org) We look forward to hearing from you!
