

Job Title: **Capacity Building and Training Specialist**

Project: **Advancing Sustainable Agriculture and Food Security in Kenya**

Location: **Kenya**

Job Type: Contract

About the Project:

We're seeking a Capacity Building and Training Specialist to support our project Advancing Sustainable Agriculture and Food Security in Kenya. This role involves designing and delivering training programs to enhance capacities of stakeholders.

Job Summary:

The Capacity Building and Training Specialist will:

- Training design: Develop and deliver training programs for farmers, extension workers, and other stakeholders
- Capacity assessment: Conduct capacity assessments to identify training needs
- Training facilitation: Facilitate training sessions, workshops, and demonstrations
- Mentorship: Provide mentorship and coaching to farmers and extension workers

Requirements:

- Experience: 7+ years in capacity building, training, or a related field

- Qualifications: Degree in Agriculture, Education, or a related field
- Skills: Strong training design, facilitation, and communication skills

What We Offer:

- Competitive contract rate
- Opportunity to work on a meaningful project impacting sustainable agriculture and food security in Kenya
- Collaborative and dynamic work environment

How to Apply:

If you're a training professional with experience in agriculture or food security, please submit your application, including your resume and cover letter, to careers@mtuals.org
We look forward to hearing from you!
