

Job Title: **Project Manager - Food Security**

Project: **Advancing Sustainable Agriculture and Food Security in Kenya**

Location: **Kenya**

Job Type: Contract

About the Project:

We're seeking an experienced Project Manager to lead our project Advancing Sustainable Agriculture and Food Security in Kenya. This initiative aims to enhance agricultural productivity and improve food security for smallholder farmers.

Job Summary:

The Project Manager will oversee project implementation, ensuring timely delivery of objectives, managing resources, and coordinating with stakeholders.

Key Responsibilities:

- Project planning and implementation: Develop and execute project plans, ensuring timely delivery of objectives
- Resource management: Manage project resources, including budgets, personnel, and equipment
- Stakeholder coordination: Foster strong relationships with stakeholders, including local communities, government officials, and partners
- Risk management: Identify and mitigate project risks, ensuring smooth implementation

- Monitoring and evaluation: Track project progress, identifying areas for improvement

Requirements:

- Experience: 10+ years in project management, preferably in food security, agriculture, or a related field
- Qualifications: Bachelor's degree in Agriculture, Project Management, or a related field
- Skills: Strong project management, leadership, and communication skills

What We Offer:

- Competitive contract rate
- Opportunity to lead a meaningful project impacting sustainable agriculture and food security in Kenya
- Collaborative and dynamic work environment

How to Apply:

If you're a seasoned project manager with experience in food security or agriculture, please submit your application, including your resume and cover letter, to careers@mtuals.org. We look forward to hearing from you!
